Sir,

Subject -Placing the services of 21 labourers of the Municipal Sewage Farm on a permanent basis

---

Adverting to Government Order No L 12896-7/ml 15-46-24 dated 25-3-1947 sanctioning the continuance of the 21 labourers in the Sewage Farm upto the end of June 1947, I have the honour to state that in view of the permanent increase of the acreage of the Sewage Farm and the large area to be still brought under cultivation there, the continuance of the services of the above labourers was considered necessary

It is to be stated that out of a total area of nearly 350 acres, an extent of 80 acres only excluding the area under cocoanut and areca gardens, was under cultivation and after the employment of the above labourers, the total area under cultivation has increased to 127 acres (including the newly acquired lands) The continuance of these labourers is therefore necessary for bringing further areas also under cultivation

The Managing Committee and the Council before whom the subject came up for consideration have duly approved of the proposal to continue them on a permanent basis

In enclosing the copies of the resolution of the Council, I request you kindly to obtain sanction of Government for continuance of the services of the above 21 labourers on a permanent basis from 1-8-1947 the cost being debited to "Ell Sewage Farm"

I have the honour to be,
Sir,
